Chief Information Officer (CIO)  
(12-month Administrative Position)

Hudson County Community College, a fast-growing mid-sized urban community college, is looking for a full-time Chief Information Officer (CIO).

Reporting directly to the Vice President for Administrative Services, the Chief Information Officer (CIO) is responsible for the oversight and management of College Technology, Telecommunication activities, Computer Center Operations and all staffing related to these services. In this role, the incumbent will oversee and direct all activities that are relevant to information technology for strategic planning, technology project management/implementation, policy development, help desk support and overall support of the widespread application of technology to achieve institutional goals. The Chief Information Officer (CIO) is the primary liaison between the campus community, Information Technology (IT) contractors and vendors providing service for the development/management of Information Technology (IT) resources.

A Master's Degree in Technology or related field is required along with 5 to 7 years or related work experience, preferably in higher education. To qualify, you must have knowledge of current trends, ideas and resources in technology as well as experience in planning and change management. In addition, you must have excellent organizational, interpersonal & written communication skills with the ability to solve problems and make decisions. The successful candidate will be able to demonstrate project/budgetary management experience and the ability to work in a diverse setting. Proficiency with various computer software programs and the use of Ellucian-Colleague (formerly Datatel) or similar higher education platform.

TO APPLY: Send letter of application, resume, salary requirements and three references to:
