

COLLEGE LECTURER – RADIOGRAPHY PROGRAM

Hudson County Community College is an award-winning, comprehensive urban college with two campuses located just minutes from Manhattan in Jersey City and Union City, NJ. The Journal Square campus sits at the center of Journal Square in the center of Jersey City, next to a major PATH station and transportation hub, while the Union City campus sits adjacent to a vital light rail station.

Fully accredited by the Middle States Commission on Higher Education, the College offers courses and classes in a wide variety of disciplines to the people and businesses of Hudson County, one of the most historic and ethnically diverse areas of the United States. The College was recognized with the 2012 Association of Community College Trustees (ACCT) Northeast Regional Equity Award, was a finalist for the American Association of Community Colleges' (AACC) Student Success Award, and was presented with the New Jersey Business & Industry Association's Good Neighbor Awards in 2009 for the Culinary Arts Conference Center and in 2012 for the North Hudson Campus Project, and in 2015 for the state-of-the-art, award-winning Glen Gabert Library Building.

Position Summary:

The College is currently searching for a full-time College Lecturer for the Radiography program. This person provides theoretical and clinical instruction as assigned by the Program Director, provides advisement for students, assists in curriculum development and review, and participates in College and professional development activities. The successful candidate will demonstrate an understanding of, and commitment to, the role of a comprehensive community college in an urban, multi-cultural setting. Finalists will be required to submit official transcripts. The position is a 12-month administrative position.

Position Requirements:

- Current x-ray license in New Jersey & New York as a diagnostic radiographer;
- Three years full-time experience in the professional discipline; two years as an instructor in a JRCERT accredited radiography program;
- Master's Degree required.
- Current certification (or equivalent) American Registry of Radiologic Technologists and active registration in the pertinent discipline;
- Proficient in areas of curriculum design, program administration, assessment, evaluation, instruction and counseling with 2 years of college-level teaching;
- Member of the American Society of Radiologic Technologists;
- Member of the New Jersey State Society of Radiologic Technologists;
- Member of the New Jersey Educators of Radiological Imaging.

To Apply: Send letter of application, resume, salary requirements and names/contact information of three professional references.
