Hudson County Community College, a fast-growing mid-sized urban community college, is searching for a full-time **DIRECTOR OF PRACTICAL NURSING PROGRAM**.

Reporting to the Associate Dean of Health, Science and Technology, the Director of Practical Nursing will be primarily responsible for the administration of the program, which includes: providing advisement for students, assisting in curriculum development and review, and participating in College and professional development activities. The position carries limited instructional responsibilities. Candidate must be a Registered Professional Nurse in the State of New Jersey. The successful candidate will demonstrate an understanding of, and commitment to, the role of a comprehensive community college in an urban, multi-cultural setting.

Master’s degree in Nursing with a minimum of five years teaching and administrative experience in a higher education setting, preferably in a community college or hospital-based health education program. Experience and interest in teaching adult students from diverse cultural and ethnic backgrounds are essential. Must have the ability to work effectively with others and have well-developed oral and written communication skills, including computer and information literacy. Experience with Ellucian (formerly Datatel) or other higher education software preferred.

**TO APPLY:** Send letter of application, resume, salary requirements and three references to:
