Part-Time Dialysis Technician Instructor

(Posting date: 12/10/2019)

#### **College Overview**

Hudson County Community College (HCCC) is an award-winning, comprehensive urban college with three campuses located just minutes from Manhattan in Jersey City, Secaucus, and Union City, New Jersey. The Journal Square campus sits in the center of Jersey City, next to a major PATH station and transportation hub, while the North Hudson Campus in Union City sits adjacent to a vital light rail station; the Secaucus campus has abundant parking.

Fully accredited by the Middle States Commission on Higher Education, the College offers courses and classes in a wide variety of disciplines to the people and businesses of Hudson County, one of the most historic and ethnically diverse areas of the United States. HCCC was recognized with the 2012 Association of Community College Trustees (ACCT) Northeast Regional Equity Award, was one of just five finalists for the American Association of Community Colleges' (AACCC) Student Success Award, and was presented with a series of New Jersey Business & Industry Association's Good Neighbor Awards: 2009 for the Culinary Conference Center, 2012 for the North Hudson Campus, and 2015 for the award-winning Gabert Library. In 2017, the College acquired the CarePoint School of Nursing (formerly Christ Hospital School of Nursing) and has since transitioned it to the fully-accredited HCCC School of Nursing, with its students performing among the highest in New Jersey on their NCLEX exams. In 2019, the College joined Achieving the Dream as part of its expanding efforts towards continuous improvement in its student success work. The Culinary Arts Institute is continually recognized as one of the finest in the nation.

The College is currently seeking for a Part-Time Hemodialysis Technician Instructor. Under the supervision of the Assistant Director of Healthcare Programs, the Dialysis Technician Instructor will plan, prepare, and deliver approved curriculum and lesson plans on a daily basis using hands-on techniques. The Instructor will organize instructional materials, supply inventories, tools, and equipment. The Hemodialysis Technician instructor will track students' grades and attendance and lead, inspire, motivate, and advise students to actively participate in all aspects of their educational process. This instructor will also provide regular, accurate and timely feedback to students and the school concerning academics, behavior and attendance, assist the Assistant Director for Healthcare Programs with coordination of students' externships or job placements, and assist students with their professional resume and other duties as assigned.
