Posting Date: July 12, 2018

Engineering Science Instructor

Hudson County Community College is an award-winning, comprehensive urban college located just across the Hudson River from Manhattan in Jersey City and Union City, NJ. Fully accredited by the Middle States Commission on Higher Education, the College offers courses and classes in a wide variety of disciplines to the people and businesses of Hudson County, one of the most historic and ethnically diverse areas of the United States. The College was recognized with the 2012 Association of Community College Trustees (ACCT) Northeast Regional Equity Award, was one of just five finalists in the U.S. for the American Association of Community Colleges' (AACCC) Student Success Award, and was presented with the New Jersey Business & Industry Association's Good Neighbor Awards in 2009 for the Culinary Conference Center, in 2012 for the North Hudson Campus Project, and in 2015 for the Gabert Library.

The College is currently searching for a full-time Engineering Science Instructor within the College's STEM Division. Under the general supervision of the Associate Dean of the Science, Technology, Engineering, and Mathematics Division, the Instructor of Engineering Science is responsible for teaching 15 credits per semester in Engineering Graphics, Engineering Science, Physics, and Construction Management courses (the ability to teach Chemistry and/or college-level Mathematics is preferred), participating in division activities such as curriculum development and academic advisement, and contributing to the College community through committee work or other extracurricular activities. **This is a full-time, ten-month tenure-track position.**

The successful candidate must have an understanding of the mission of an urban community college and experience working with a culturally diverse community, project a positive and professional self-image, and have strong interpersonal and communication skills.

Requirements: Master's Degree in Engineering (preferably in Civil Engineering) or a closely related field from a regionally accredited institution of higher education. Teaching experience at the college level is preferred.

TO APPLY: Send a letter of application, resume, and salary requirements to:
