Subject: Coronavirus Update March 6, 2020

Dear Students and Colleagues.

Friday March 6th, the Coronavirus Task Force received a correspondence regarding a person at the North Hudson Campus “*who showed signs of Coronavirus*”. This matter was thoroughly investigated and subsequently determined to be a rumor.

Please understand that we at the College have received no information from any public health official concerning a suspected or actual infection. If that does occur, we will take the appropriate steps and make the proper notifications immediately. Again, this is a rumor and we need to make every effort to avoid rumors.

Please remember, this is cold and flu season. Only healthcare providers can make a diagnosis of Coronavirus.

Thank you!

Co-chairs HCCC Coronavirus Task Force,
Kathleen Smith-Wenning
Darryl Jones
