

OFFICE OF THE PRESIDENT

Christopher M. Reber, Ph.D.

Tuesday, March 3, 2020

Dear HCCC Colleagues,

I have appointed a Coronavirus Planning Task Force to meet regularly and coordinate with statewide, regional and local health agencies in order to keep our students and employees informed about issues associated with COVID-19. The Task Force will plan for various scenarios that we hope will not occur, such as the potential closure of the campus for a period of time. Task Force members will also help all students, faculty and staff exercise precautions to avoid spread of the virus, including the promotion of healthy practices, programs, facilities enhancements, and education. Further, the Task Force will communicate regularly with our College community and will be a source for answers to questions.

I thank the following colleagues who will serve on the Task Force, which will be chaired by Associate Vice President for Academic Affairs Darryl Jones, and Director of Health Related Programs Kathleen Smith-Wenning. The Task Force will hold its organizational meeting tomorrow and will meet regularly thereafter.
