II. What You Need to Know For On-Campus Visits

Before Coming to Campus:

- If you do not feel well, stay home and participate in teaching, learning, and working remotely.
- Check to confirm that you are enrolled in a class that meets in-person or that you have an appointment to meet in-person with a staff member.
- Have your Student ID card available.
- Leave extra time to enter the building due to the enhanced screening requirements (see below).
- Complete the training that you can access from a link sent to your email address.
- Have a face covering (one will be provided if you do not have one).

What to Expect On-Campus:

- Participate in HCCC's health screening protocol by completing the survey and having your temperature assessed when entering HCCC's buildings.
- Wear a mask in all HCCC spaces.
- Adhere to social distancing guidelines by maintaining a distance of at least 6 feet between yourself and others.
- Adhere to all capacity limitations in classrooms, offices, restrooms, and elevators (limited to two people, so please leave extra time if you require).
- Follow one-way directions for all entrances, exits, and stairwells.
- Wash or sanitize your hands frequently.

Please keep in mind the following:

- No guests will be allowed.
- Eating or drinking will not be allowed in indoor areas of the campus.
- Bits and Bytes Bistro in the STEM building (address) will be open from 8 a.m. – 2 p.m., Monday – Friday **beginning on September 8th**. You can order online with the 'Myquickcharge' app. Please download it from Apple or Google Playstore. Use Code HCCC267 to register.
- Walk-Ins are not encouraged. If you do not have an appointment, then you will be directed to make an appointment to meet at another time.

- All members or visitors will be screened when entering the building and fill out a health survey. You will need to be screened each time you enter a building.

III. Three Types of Classes Offered

- Online classes: Fully remote classes where students will be meeting virtually via online conferences with their instructor and classmates weekly at a designated time each week.
- Hybrid: Hybrid learning combines face-to-face instruction with online learning. Students will be meeting one session in-person and one session online via virtual conferences at a designated time each week.
- In-Person: On-campus classes. For in-person classes, face-covering must always be worn. Students are required to complete the SafeColleges and HCCC Student Orientation training prior to the beginning of class. Classroom seating will adhere to the 6-foot social distancing guidelines established by the CDC. All backpacks, coats, and any miscellaneous items must be placed under the table/desk, under the student's chair or in a designated space. Students will not be allowed to stay in the classroom once the class ends.

IV. ESL In-Person Testing

Students are encouraged to test remotely. However, if you are not able to test remotely and can only complete the placement test in person, then you may email us or call us to notify us, and we will schedule you for in-person testing. Availability is minimal.

VII. Restart Plan: General Information

Hudson County Community College (HCCC) values its students, faculty, staff, and community members and is committed to being proactive in the protection of the health and safety of all during the COVID-19 pandemic and always.

COVID-19 most commonly spreads through respiratory aerosols that are expelled when an infected individual sneezes or coughs. Individuals with COVID-19 may exhibit symptoms like fever and a dry cough or may not exhibit symptoms at all. The Centers for Disease Control and Prevention (CDC) recommend that individuals stay home whenever possible and wear face masks, wash or sanitize their hands frequently, and maintain a distance from others of at least six feet when outside of the home in order to limit the spread of COVID-19.

Hudson County Community College's Restart Plan was developed by the Return to Campus Task Force with input from the college community. HCCC's Restart Plan was developed in alignment with the template and guidelines provided by the Office of the Secretary of Higher Education and adheres to all CDC requirements, recommendations, and guidelines. Safety during a pandemic is a collective responsibility.

The ability of Hudson County Community College to thrive during the current COVID-19 pandemic is contingent upon a shared understanding that we each have a role in taking steps that promote not only our own health but the health of the other individuals with whom we share our campus.

In continuation of this important community goal, and in accordance with guidance from the CDC, Hudson County Community College requires that all students, faculty, staff, and visitors to our campus abide by the rules and regulations set forth:

- Participate in HCCC's health screening protocol by completing the survey and having your temperature assessed when entering HCCC's buildings.
- Stay home and participate in teaching, learning, and working remotely if you do not feel well or have circumstances that prevent you from being on campus.
- Wear a mask in all HCCC spaces.
- Adhere to social distancing guidelines by maintaining a distance of at least 6 feet between yourself and others.
- Adhere to all capacity limitations in classrooms, offices, restrooms, and elevators.
- Follow one-way directions for all entrances, exits, and stairwells.
- Wash or sanitize your hands frequently.
- Sneeze and cough into your elbow.
