

Dear Hudson County Community College Community Member,

Your health and safety is very important to us. If you answered yes to any of the questions on the questionnaire or have an elevated temperature (above 100.4 degrees Fahrenheit), you must seek medical attention prior to returning to campus.

Please find attached a list of referrals for COVID-19 testing or assessment if you do not have a private Medical Doctor. CityMD, located at Journal Square does nasal testing. In addition, if symptoms are COVID-related, CityMD will examine you at no cost if you do not have health insurance. Other resources in and around Hudson County are listed on this document.
