

Saint Peter's
UNIVERSITY

School of Nursing

Complete your RN to BSN Degree: Continue your education while you advance.

HCCC/CarePoint graduates who obtain their RN License can complete their RN to BSN through a new cooperative program with Saint Peter's University: **an accelerated program at our Jersey City Campus.** We offer an exciting curriculum of nursing classes and general education courses, such as "Theology of Death and Dying." With a grant to offset tuition costs, Saint Peter's University is **the best value for nurses.**

The BSN Cooperative Program offers HCCC/CarePoint nursing graduates these advantages:

- Personal attention from a Saint Peter's representative on-site to provide individual counseling and course-by-course advising
- Full- or Part-Time options one day per week in as little as 18 months
- Tuition grants available
- Full transfer of all HCCC credits* and 30 credits for RN License
- Invitations to Saint Peter's University seminars, career services advising and student access to facilities such as the MacMahon Student Center and Library
- Saint Peter's University offers a private school education at a public school cost

*100-level and above
