WELCOME TO HUDSON COUNTY COMMUNITY COLLEGE

HISTORY

The need for a community college in Hudson County was originally documented by feasibility studies supported by grants from the Exxon Education Foundation (1972) and the Fund for the Improvement of Postsecondary Education (1973), which led to the establishment of the Hudson Higher Education Consortium. The Consortium included the three postsecondary educational institutions in Hudson County: New Jersey City University, Saint Peter's College and Stevens Institute of Technology. At the same time, the Community Action Program established the need for a college center in the North Hudson area. In 1974, an act of the New Jersey legislature made it possible for a county that lacked a community college to establish a community college commission. The purpose of the commission was to enter into contracts with existing educational institutions, to provide services for its students, and to grant certificates and associate degrees. When the New Jersey Board of Higher Education approved the establishment of a community college commission in Hudson County in September, 1974, the Commission became the first agency of its kind in the country. In the spring of 1981, the Institution's official name became Hudson County Community College. Hudson County Community College has come to be recognized as a valuable community asset where residents can receive a high quality education, at an affordable price, close to home. The College enjoys full and unrestricted general accreditation from the Middle States Association, and programs in nursing, culinary arts and technologies have received specialized professional certifications.

MISSION

Hudson County Community College is a comprehensive urban community college. The mission of the College is to offer high quality programs and services which are affordable, accessible, and community-centered. All programs and services are designed to meet the educational needs of a linguistically and ethnically /racially diverse community, and to promote the economic, technological, cultural, social, and civic development of Hudson County and its service areas. The College is committed to equal educational opportunities for traditional and non-traditional students who can benefit from its programs and services without regard to race, ethnic or national origin, religion, age, gender, disability, economic status, or educational background. The provision of a supportive and affirmative educational environment and the principles of lifelong learning, excellence, and opportunity are central to all programs and services. To implement its mission, the College sets forth the following general goals:

- To provide liberal arts and science courses and associate degree programs that will prepare students to transfer to four-year colleges and universities.
- To provide courses, certificates and associate degree programs that will prepare students for immediate employment or provide for career enhancement.
- To provide general education courses to ensure that students can think critically and analytically, communicate effectively, solve mathematical problems,

- participate as informed citizens, appreciate cultural diversity and global interdependence, and are information and computer literate.
- To provide support services including counseling, job placement, aptitude and skills testing, financial aid, academic advisement, and basic skills development to help students succeed and benefit from academic programs.
 - To provide programs and services appropriate to the linguistic diversity of the community.
 - To provide educational and support services to businesses and industries to meet work force needs and to promote the economy of the County.
 - To provide not-for-credit courses and programs including conferences, seminars, lectures, workshops and other activities to meet the continuing education, professional, and enrichment needs of residents of the County and of members of organizations within the County.
 - To provide for collaborative relationships with local school districts; other colleges and universities; public and private agencies; and business, industrial, professional and labor associations to promote high quality and efficiency in all programs and services.

EMPLOYMENT POLICIES AND PROCEDURES

AFFIRMATIVE ACTION/EQUAL EMPLOYMENT OPPORTUNITY POLICY STATEMENT

Hudson County Community College is an equal opportunity/affirmative action employer. Hudson County Community College is committed to the principles of affirmative action in the recruitment, admission, and retention of students and in the recruitment, employment, training, tenure, assignment, and separation of all faculty and staff. In accordance with existing New Jersey statutes and Federal law, no person at the College shall be discriminated against on the basis of race, color, class, sex, religion, creed, age, life-style, disability, marital status, affectional or sexual orientation, ancestry, national origin, veteran's status, or union membership. Equal access to employment opportunities and educational programs is extended to all qualified persons. Decisions on employment are made on the basis of the qualifications of an individual for the particular position being filled. Specifications for any position must be related to the job to be performed. Decisions on promotion and tenure are similarly made on the basis of the qualifications of an individual as they relate to the requirements of the position. All personnel policies including those for compensation, benefits, transfers, and faculty and staff development programs are administered without regard to race, color, sex, religion, age, disability, national origin, or other protected status. These policies apply to all employees and all applicants in every department of the College. The College will employ affirmative action to meet its stated goals throughout the work force. HCCC's goal is to maintain a satisfied and productive work force. The key to this is effective leadership by supervisors; fair and non-discriminatory personnel policies and the application of these policies. The College firmly adheres to the conviction that every employee has the right to be treated with dignity and respect.

ANTI-HARASSMENT POLICY

POLICY:

Hudson County Community College (hereinafter referred to as the "College ") has a strong commitment to provide a work environment free from unlawful harassment based on sex, affectional or sexual orientation, race, color, religion, national origin, age, disability, ancestry, atypical hereditary cellular or blood trait (AHCBT), liability for service in the Armed Forces of the United States, creed, handicap, marital status, familial status, genetic information, refusal to submit to genetic testing, refusal to provide genetic information, or nationality of that person or that person's spouse, partners, members, officers, managers, superintendents, agents, employees, business associates, suppliers, or customers (collectively the "protected classifications"). The College will not tolerate unlawful harassment. Acts or incidents of unlawful harassment should be promptly reported in accordance with the procedures outlined below. The College will promptly investigate all reports of unlawful harassment. Employees who violate this Policy will be subject to disciplinary action up to and including termination from employment. Employees who violate this Policy also risk personal legal liability.

November 21, 2018

PURPOSE:

To ensure all employees of the College a work environment free of any type of unlawful discrimination, including freedom from harassment on the basis of any protected classification.

PROVISIONS:

1. Improper Conduct: Instances that may violate the College's policy against harassment and which may result in disciplinary action include the following:

- *Unwelcome remarks, rumors and actions based on the protected classifications.* This may include, but is not limited to, inappropriate jokes, comments or posted materials.
- *Threats or suggestions that an employee's employment work status will be adversely affected based upon the protected classifications.*
- *Bullying, verbal, physical, written or cyber forms of intimidation.*
- *Affecting or denying employment opportunities or benefits to an employee based upon the protected classifications.*
- *Engaging in a negative tangible employment action based upon the protected classifications.*
- *Retaliation against an employee who has reported any alleged violation of this Policy or participated in an investigation related to this Policy.*

2. Sexual Harassment: An important note must be made with respect to sexual harassment. Sexual harassment is defined as any unwelcome advance or request for sexual favors or any conduct of a sexual nature where:

- Submission is made explicitly or implicitly a term or condition of employment; or
- Submission to or rejection of the harassing conduct is threatened to be used, as the basis of employment decisions; or
- Such conduct has the purpose or effect of substantially interfering with an individual's work or creates an intimidating, hostile, or offensive working environment.

Sexual harassment is different from sexual attraction or flirtation. Sexual harassment is *unwelcome* sexual attention which is demeaning and causes the recipient distress. Sexual harassment does not refer to occasional inoffensive compliments. However, comments or behavior which may be intended to be complimentary may be viewed by the recipient as unwelcome and a form of sexual harassment.

3. Supervisory Personnel: Every supervisor is responsible for preventing and reporting unlawful harassment. Failure to take action to stop unlawful harassment may be grounds for disciplinary action. Special care must be exercised by supervisors and managers whose actions or remarks may be mistakenly perceived as unlawful harassment. The subordinate may feel inhibited and may not disclose the unwelcome actions or remarks by the supervisor or person of higher rank. Unlawful harassment is not limited, however, to employees of different rank.

4. Complaint Procedure: Any employee who feels that he or she has been subject to harassment or has knowledge of a violation of this Policy should report the incident directly to the supervisor or to the Executive Director of Human Resources. The supervisor must promptly contact the Executive

Director of Human Resources of a harassment complaint. The Executive Director of Human Resources is designated as the College's EEO officer. In the Executive Director's absence, or if circumstances prevent reporting the incident to a supervisor, the employee can report the complaint to any member of the Human Resources department. If the complaint involves a direct supervisor, the employee is not required to complain to that direct supervisor. The complaint should then be made to any of above listed individuals designated to receive such complaints. A complaint of harassment shall be investigated by the Executive Director of Human resources in a timely manner.

A. The complaint filed must include the following information:

- The name and department of the complainant;
- The name and department of the charged party;
- The nature and circumstances, in detail, of the alleged harassment, including but not limited to the injuries or consequences suffered by the complainant, the names of any witnesses to such actions and the date(s) and duration of the actions questioned; and
- Whether such harassment has been previously reported to a supervisor or other person, and if so, when and to whom.

B. Nothing in this section shall prevent the complainant from providing other information or documents he/she believes are essential to the fair adjudication of their case.

C. The initial complaint may be made orally or in writing. If the complaint is made orally, the Director or his/her designee shall reduce same to a written document, which shall, if it is deemed accurate, be signed by the complainant. If an individual is uncomfortable in making a written complaint, the College may proceed with its investigation without a formal written complaint.

5. **Investigation Procedure:** Once a complaint has been registered or a harassment situation has become known to the College, a prompt, fair and thorough investigation will be conducted to determine the meritorious character of the complaint. If the College determines that unlawful harassment has occurred in violation of this Policy, the individual who engaged in such harassing conduct shall face immediate and appropriate disciplinary action based upon the severity of the complaint and any prior history of past charges made against the individual and disciplinary action involving the individual. Disciplinary action may include being suspended without pay pending the hearing, a written warning, suspension, demotion, and/or termination of employment.
6. **Privacy:** The College encourages victims of harassment to bring their complaints to management by ensuring that no reprisals or retaliation will result against such complaining individual as a result of the good faith reporting of harassment. In addition, anyone who assists in the filing of a complaint or in the investigation of a claim of harassment will be protected from reprisals and retaliation. Reprisal or retaliation may be the basis of a separate complaint, even if the complaint of harassment may be found to be without merit. To the fullest extent possible, and so long as it does not inhibit the conducting of an

investigation, all persons involved with a harassment complaint will be given the utmost protection of privacy.

7. **Liability:** Because the College prohibits harassment of its employees in any form, any individual charged with harassment in a civil action or by way of an administrative complaint shall be solely responsible for paying all costs of defense and/or any damages resulting there from which are awarded by any proper court of law or after an administrative hearing.
8. **False Accusations:** Since a charge of harassment is a grave and serious one, false accusations of harassment are, and will be treated as, a disciplinary offense and will result in a level of punishment appropriate for a person engaging in such behavior. Any employee with questions regarding the College's Harassment Policy may contact the Human Resources Department.

SEXUAL MISCONDUCT POLICY

POLICY:

Hudson County Community College seeks to foster a safe and healthy environment built on mutual respect and trust. At the foundation of the College's mission is the recognition of the equal and inviolable dignity and worth of every person. Sexual Misconduct of any kind is a serious violation of these principles and will not be tolerated in any form.

Sexual Misconduct includes Sexual Exploitation, Sex-Based Harassment, Sexual Assault, Stalking, and Relationship Violence of a sexual nature. Sexual Misconduct can occur between strangers or acquaintances, including people involved in an intimate or sexual relationship. Sexual Misconduct can be committed by men or by women, and it can occur between people of the same or different sex. Sexual Harassment, including sexual violence, is a form of sex discrimination. Any member of the College community who encourages, aids, assists, or participates in any act of Sexual Misconduct against another is in violation of the College disciplinary policies and Title IX. Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681) is an all-encompassing federal law that prohibits discrimination based on the gender of students and employees of educational institutions which receive federal financial assistance. Violence that is not of a sexual nature is also incompatible with the College's mission and a violation of College policies. Policies and procedures governing incidents of violence that are not of a sexual nature are covered separately.

REPORTING SEXUAL MISCONDUCT

Any member of the College community who encourages, aids, assists or participates in any act of Sex Discrimination or Sexual Misconduct against another is in violation of the College's conduct policies. Every member of the faculty, administration and staff is obligated by law under Title IX to immediately report to the Title IX Coordinator of incidents or of perceived incidents of Sexual Misconduct involving any member of the campus community or third party upon learning of the incident. Even alleged victim requests confidentiality of the incident, the employee has a legal and moral obligation to report. All members of the College community and visitors are required to report incidents of Sexual Misconduct to the Executive Director of Human Resources who serves as the College's Title IX Coordinator.

The Title IX Coordinator will make every effort to maintain the confidentiality of all parties involved during the investigations into alleged Sexual Misconduct. There may be some incidences when confidentiality may not be possible if the safety and security of the accuser or other members of the College Community are at risk.

The entire Sexual Misconduct Policy may be viewed at:

http://www.hccc.edu/uploadedFiles/Pages/Explore_HCCC/General_Information/Human_Resources/Sexual_Misconduct_Policy_06-30-2015.pdf

MANDATORY ANTI-DISCRIMINATION TRAINING

The College is required to inform and train employees on institutional obligations under the applicable Department of Education and Department of Labor laws and regulations on harassment, sexual misconduct and discrimination in employment and education programs. Employees receive training related to Diversity, Title VII and Title IX at hire and at various times during the school year. The Human Resources Department will send links to new hires and employees who have not previously completed the three courses which are 1) Sexual Harassment, 2) Discrimination Awareness in the Workplace, and 3) Title IX and Sexual Misconduct.

SMOKING POLICY

Smoking, including cigarettes, cigars, pipe tobacco, and use of electronic cigarettes, is prohibited at all times on the College campus, including in all of its buildings, laboratories, classrooms, private offices, balconies, vestibules, loading docks, and or any other campus property as well as with in close proximity to or causing obstruction of any building entrance, covered walkway or ventilation system. Signs will be posted at each building's entrance and displayed in prominent, visible areas to inform all individuals entering or occupying HCCC property that smoking is prohibited.

Compliance with this policy is a shared responsibility of all Hudson County Community College staff, students, and faculty. The success of this policy will depend on the courtesy, respect, and cooperation of all members of the campus community. Employees interested in smoking cessation programs may contact Human resources.

DRUG-FREE WORKPLACE POLICY

HCCC Drug Free Workplace Policy prohibits the unlawful possession, use, distribution, dispensation, sale or manufacture of controlled substances on College premises. Employees are prohibited from reporting for or being at work while under the influence of alcohol or illegal drugs. Violation of this Policy may result in disciplinary action up to and including termination. In addition to HCCC's policy, faculty and staff must obey applicable Federal, State, and local laws concerning drugs and alcohol and are subject to criminal and civil penalties. Any employee convicted of a drug-related offense must notify the College no later than five days after such a conviction.

WEAPONS POLICY

HCCC Weapons Policy prohibits the possession, use or storage of weapons on College premises. Weapons covered by this policy include, but are not limited to, firearms, firearm ammunition, air pistols, air rifles, fireworks, incendiary devices, any knife or other item or implement intended for use as a weapon. Violation of this policy will result in disciplinary action up to and including termination.

WORKPLACE VIOLENCE POLICY

HCCC will not tolerate any workplace acts or threats of physical violence, including but not limited to intimidation, harassment and/or coercion that involve or affect the College, its visitors or its employees. Employees who are aware of any acts of physical violence or threats are encouraged to report this information to their supervisor and the Safety and Security Department.

NEPOTISM

HCCC prohibits the hiring of any applicant who would be directly or indirectly supervised by a relative. For the purpose of this policy, relatives include spouse, child, father, father-in-law, mother, mother-in-law, grandparent, grandchildren, sister, sister-in-law, brother, brother-in-law, son-in-law, daughter-in-law, aunt, uncle, cousin, nephew, niece or any other person who occupies such a position in the family, or a person living in the same household. To alleviate potential conflict, an employee who has the power to appoint, reappoint, or confirm the appointment or reappointment of, approve a change in status of, evaluate performance for salary increment, promotion, or dismissal of subordinates or subordinates of subordinates, may not hire, supervise, or otherwise manage relatives in the same unit or division where a conflict may exist. No employee may refer a relative directly for a job vacancy; however, the employee may inform a relative about the application process for a position listed on jobs@hccc.edu. If during the course of employment at the College, any employees become related, the College reserves the right to review the situation on a case-by-case basis and make job reassignments as practicable. Nothing in this policy shall preclude a member of the immediate family of a supervisor from being employed in an area not supervised directly or indirectly by that supervisor. An employee who uses his/her influence to interfere with the supervision of a relative in another department and who knowingly or unknowingly shares confidential information with a relative in another department will be in violation of the Nepotism Policy.

CODE OF ETHICS POLICY

It is essential that the conduct of all employees of the Hudson County Community College hold the respect and confidence of its students, the County of Hudson, the State of New Jersey and the educational community at every level. All employees of the College must, therefore, avoid conduct which is in violation of the public trust or which creates justifiable impression among the public that such trust is being violated.

Hudson County Community College shall adopt the following code of ethics:

1. No trustee, officer or employee shall have any interest, financial or otherwise, direct or indirect, or engage in any business or transaction or professional

Nevertheless, trustees, officers, and employees, during the course of his or her official duties, may accept meals which are offered as a part of a meeting or event so long as all attendees of such meeting or event are also provided such meals. In the event that a sponsor of a meeting has pending business with the institution in such a manner on which the trustee, officer or employee must act in the exercise of his or her duties, during the time that said matter is pending, no trustee, officer, and employee shall accept any meals from any such sponsor.

 - (a) Be awarded any contract which is not publicly bid
 - (b) Appear to represent, or negotiate on behalf of, any other party before the College.
 9. No Trustee, who is a voting member of the board, shall be eligible to accept employment as an employee of the College for a period of two years following resignation or expiration of his or her term.
 10. Full-time employees of the College must consider the College their primary employer. As such, they must be available and able to perform all of the required duties of the position outlined in the existing job description.  11. Any violation of this Code of Ethics shall be addressed:

- (a) By the bylaws of the College or the Laws of the State of New Jersey in the event of a trustee;

SAFETY IN THE WORKPLACE

HCCC complies with all applicable OSHA regulations and makes every effort to be sure that the workplace is as safe and free from hazards as is possible. Any unsafe or hazardous condition should be reported immediately to your supervisor.

Following a few simple rules will be beneficial to everyone at the College.

1. Immediately report any conditions or practice that appears unsafe
2. Only operate equipment that you are trained and authorized to use
3. Observe regulations prohibiting smoking on College property
4. Do not block corridors or fire exit doors
5. Furniture, boxes, or equipment should not be stored in front of exit doors
6. Familiarize yourself with locations of fire extinguishers in your area
7. Become knowledgeable of emergency evacuation procedures
8. Wear safety gear when necessary
9. Do not bring unauthorized visitors or children into the building
10. Immediately report all injuries to your supervisor
11. Dispose of waste in the proper manner.

NEW JERSEY SAFE ACT

Subject to eligibility requirements, the New Jersey Security and Financial Empowerment Act, commonly known as the "NJ SAFE Act," allows an eligible employee to take 20 days of unpaid leave during a 12-month period in the event the employee or the employee's child, parent, spouse, domestic partner or civil union partner is a victim of domestic violence or sexual assault.

To be eligible for leave under the NJ SAFE Act, an employee must work with the College for at least 12 months and have worked 1,000 hours or more during the preceding 12-month period. Unpaid leave under the NJ SAFE Act must be taken within one year of the incident of domestic violence or sexual assault and may be taken intermittently with College approval in intervals of no less than one day. The purpose of the law is to allow employees who are assault victims or are caring for family members who are victims to have time to engage in the following activities associated with the incident without fear of losing their jobs: (1) seeking medical attention for, or recovering from, physical or psychological injuries; (2) obtaining services from victim assistance programs; (3) receiving psychological or other counseling; (4) relocating or taking other steps to increase the safety of themselves or the victim; (5) seeking legal assistance; and (6) participating in civil or criminal court proceedings related to the incident of domestic or sexual violence.

If the need for leave under the NJ SAFE Act is foreseeable, employees are required to give written notice to the Human Resources Manager as far in advance as is reasonable and practical under the circumstances. The College may request documentation supporting the need for leave. Employees can satisfy this requirement by providing a copy of any

applicable restraining order; a letter from the prosecutor; documentation of the conviction of the assailant; medical documentation of the victim; a certification from a certified Domestic Violence Specialist or Rape Crisis Center employee; or a certification or other documentation from a social worker, clergy member, shelter worker or other professional who assisted the victim.

BARGAINING UNITS

At HCCC, every member of the management team is committed to the College's philosophy of fair and impartial treatment of our employees at all times. Employees are free to speak to their supervisor, or to any member of the management team, to raise questions and get answers. Every employee is treated as an individual and as an important participant in the operation of the College. We hope to maintain this open relationship. HCCC strongly believes that individual consideration in employee-supervisory relationship provides the best climate for our maximum development, team work, and the attainment of our goals. We have enthusiastically accepted responsibility to provide you with good working conditions, fair wages, and benefits, impartial treatment and personal respect. Employees of HCCC, if not designated confidential employees, are eligible for membership in one of (4) bargaining units. The four bargaining units representing employees are as follows:

1. HCCC Academic Administrative Association
2. HCCC Support Staff Federation
3. HCCC Professional Association
4. HCCC Adjunct Faculty Federation

It is important to remember each bargaining unit negotiates separately with the College. Regulations and procedures vary for each group of employees and are not necessarily the same for everyone working at HCCC. Names of new employees are forwarded by the Human Resources Department to the presidents of each of the four bargaining units. After you join, it is your responsibility to obtain a copy of the employment agreement that pertains to you directly from the bargaining unit. Be sure to consult your collective bargaining agreement if you have any questions concerning your rights and responsibilities or are unclear about anything outlined in this handbook. Supervisors of employees in bargaining units must first contact the Executive Director of Human Resources before initiating any counseling or corrective action.

YOUR EMPLOYMENT AT HCCC

The names of all candidates recommended to fill vacant positions at the College are approved by the HCCC Board of Trustees. Employees who have gone through the interview process cannot officially begin working at HCCC until the Board of Trustees has accepted the recommendations of the College Administration.

BACKGROUND CHECKS

The College may conduct reference and background checks on new employees. Criminal background checks shall be conducted in accordance with law. Employees who have falsified information on their employment applications will be disciplined, which could include termination. Applicants who have provided false information may be eliminated

from further consideration for employment. Final appointment is contingent upon successful completion of a background investigation.

INTRODUCTORY PERIOD

The first ninety (90) working days of employment serve as an introductory period for new employees. This provides the supervisor with the opportunity to assess an individual's skills and abilities in meeting the job requirements. At this time, introductory employees may be terminated by the College without such termination being subject to the grievance and arbitration provisions of their respective collective bargaining agreement. Satisfactory completion of introductory period does not change the at will status for employees not covered by a collective bargaining agreement.

ATTENDANCE POLICY

The College expects all employees to assume diligent responsibility for their attendance and promptness. Every employee is expected to report on time. The College recognizes there may be times when absences or tardiness cannot be avoided. In such cases it is the employee's responsibility to call their supervisor directly and in a timely manner.

Any employee who fails to report absences will be subject to disciplinary action up to and including termination. Bargaining unit members should reference collective bargaining agreements for specifics applicable to employment classification.

A no call/no show lasting five working days may be considered job abandonment and may be deemed an employee's voluntary resignation of employment.

ATTENDANCE RECORDS/TIME REPORT FORMS

To ensure compliance with Federal standards, the College has adopted an official procedure for reporting time of hours worked by each employee. This requires all employees to complete the appropriate form which is then submitted to the immediate supervisor for signature approval. Time report forms should be available in your department from your supervisor. Employees must show an accurate record of the hours worked. If an employee fails to record the information correctly, or if there is an error, it is their responsibility to notify their supervisor. An approved absence request form should be attached to the timesheet.

LACTATION POLICY

The College will provide reasonable unpaid breaks each day to an employee who needs to express breast milk for her infant, up to one year from the child's birth. The break time will, if possible, run concurrently with any break times already provided to the employee.

To assist in the lactation process, the College will provide, when possible, access to locations, other than a restroom, that provide privacy and access to a clean, safe sink for washing hands and rinsing out breast-pumping equipment.

OVERTIME

In accordance with federal and state standards all employees are classified as either exempt (those supervisory, administrative, and professional positions not covered by the provisions of the Fair Labor Standards Act or NJ Wage and Hour Act and not subject to payment of

overtime) or non-exempt (those positions covered by the provisions of the fair Labor Standards Act or NJ Wage and Hour Act and subject to payment of overtime).

Supervisory Personnel may authorize overtime when it is not possible to adjust staffing to cover emergency situations or heavy workload periods. No employee is authorized to work overtime unless approved by his/her immediate supervisor. Overtime worked shall be recorded on a time sheet and signed by the immediate supervisor. Bargaining unit members should reference collective negotiated agreements for specifics applicable to employment classification.

EMPLOYMENT VERIFICATION

CHILDREN ON CAMPUS

HCCC has an obligation to its students, faculty, staff, and visitors to conduct its operations and maintain its facilities in a manner consistent with its mission as an institution of higher education. For this reason, young children should not be brought to campus, and may not attend classes with their parent or guardian. Where the employee fails to enroll himself/herself or eligible dependents, they cannot be enrolled until the subsequent annual open enrollment period during the month of October with coverage effective January 1. Vision coverage is provided to eligible College employees. Dependent coverage is available only through Payroll deduction. Dental coverage is also provided to eligible College employees and their eligible dependents. It is your responsibility to inform The Human Resources Department of your choice of medical insurance plan and to complete all of the appropriate enrollment forms. Additional information of health benefit extension, cost of coverage, benefit plan booklets and claim forms, etc. may be obtained from the Human Resources Department.

LIFE INSURANCE

As public employees in the State of New Jersey, HCCC employees receive life insurance pursuant to New Jersey State Law. Although the College pays towards this insurance, employees enrolled in PERS (Public Employees Retirement System) are required to contribute a small amount of your bi-weekly pay towards the premium payment for the period of one year. At the time the employee completes the application forms the amount of the share will be calculated and will be informed as to what the deduction will be.

RETIREMENT AND PENSION PROGRAM

Employees participate in one of two State Administered Pension Programs: the Public Employees Retirement System (PERS) and an Alternate Benefits Plan (ABP). All employees, except certain part-time employees, are required to participate in one of these plans. Employees will be provided a retirement and life insurance plan pursuant to New Jersey Statutes and the Rules and Regulations of the State Department of Treasury, Division of Pensions. Booklets that provide further information on the pension programs are available from the Human Resources Department. For further details regarding benefits employees should contact the Human Resources Department or can visit <http://www.state.nj.us/treasury/pensions/shbp.htm>

The College provides for those employees who have not yet accumulated sufficient sick days but who otherwise meet the eligibility criteria for temporary disability insurance. These employees will be allowed to borrow sick days to bridge the time so that they will be able to receive TDI payments without loss of pay.

SICK LEAVE

The College recognizes that some absences are unavoidable. Employees are reminded, however, that all absences have a considerable effect on their department and the College, and are asked to keep all absences at a minimum. Although negotiated clauses pertaining to absences because of illness, injury and other reasons are found in the collective bargaining agreements of specific employee groups, the following practices pertaining to absences must be followed by all employees unless otherwise amended by the employee's collective bargaining agreement:

1. When an absence from work is known in advance, or when an absence is anticipated to be more than a few days, the employee shall notify his/her immediate supervisor as far in advance as possible and shall supply a doctor's note indicating the reason for the absence and the anticipated duration of the absence. Absences of three or more consecutive work days require either a doctor's note or an original letter addressed to the College from an official or administrator providing an explanation for the absence. The College reserves the right to require documentation for any absence covered by the law; however. Medical certifications and/or fitness for work certifications may be requested at the discretion of the principal administrator of the Human Resources department to verify an illness or to ensure that the employee has sufficiently recovered to return to work. For approval, the absence must be related to the reasons permitted by the New Jersey Paid Sick Leave Law.

****Union and Confidential employees will continue to use accruals for sick, vacation and personal days for paid time off and will follow the provisions for LEAVES OF ABSENCE in their respective Collective Bargaining Agreement and the provisions listed in the Employee Handbook section titled SICK LEAVE.**

FLEXIBLE SPENDING ACCOUNT (FSA)

A Flexible spending account is a pre-tax benefit account used to pay for certain out-of-pocket expenses. These expenses may include medical deductibles and copayments, medical devices, qualified prescription drugs, certain vision and dental costs, dependent care, and commuter expenses. Employees elect an amount at open enrollment or at hire to have deducted for the FSA account which is administered by a vendor. The limit the employee may deduct and eligible expenses are determined annually by the Internal Revenue Service.

EMPLOYEE ASSISTANCE PROGRAM (EAP)

The EAP assists employees with personal and/or work-related issues that may impact their job performance, health, mental and emotional well-being. EAPs generally offer free and confidential assessments, short-term counseling, referrals, and follow-up services for employees and their household members. The college EAP provider is E4Health.

E4Heath counselors also work in a consultative role with managers and supervisors to address employee and organizational challenges and needs. Counselors at the EAP can be reached 24 hours a day, seven days a week at 1-800-227-2195. Employees in crisis are able to contact counselors on their own or may be referred by their supervisor or a representative from the Human Resources department.

WORKERS' COMPENSATION

All employees of the college are covered by Workers' Compensation Insurance. Such insurance shall provide compensation for lost time, medical expenses, surgical expenses, etc. It is the responsibility of the employee to report a work-related illness or injury to his/her immediate supervisor and the Safety and Security Department within twenty-four (24) hours of the occurrence. The employee along with his/her supervisor must complete an Employee Accident Report which may be obtained from the Safety and Security Department. The Safety and Security Department will notify and forward all documentation to the Human Resources Department. In case of a work related injury requiring medical attention beyond first aid, medical care visits will be arranged for the employee by the Human Resources Department. Normally, employees must be treated by a doctor approved by the College and the insurance carrier. VACATION LEAVE

HCCC grants vacation time to all full-time employees based upon the accrual rates listed in each of the four collective bargaining agreements. It is College policy that vacation be taken in increments of no less than one-half day, and must be approved in advance by your immediate supervisor. All employees must complete an Absence Request form in a sufficient amount of time and submit to their immediate supervisor for approval. Vacation can be approved or denied based on departmental needs.

If you become ill during your scheduled vacation time, you may request to charge the time off to sick days, with the submission of a doctor's note, and be able to retain the vacation days for another time. If a holiday observed by the College falls during your scheduled vacation period, you will be credited with having taken the holiday rather than using vacation time. All vacation time accrued during one fiscal year must be taken during the next fiscal year. The approval of the immediate supervisor and the Director of Human Resources must be obtained for any vacation days to be carried over to the next fiscal year. This time must then be used in the subsequent calendar year.

Upon leaving the College any employee will be compensated for each unused accrued vacation day. Vacation time is not accrued until the 25th day of any month. Bargaining unit members should reference their respective collective bargaining agreement for specific details regarding vacation leave.

HOLIDAYS

The College observes 12 official and 4 “floating” paid holidays during the year. This schedule is announced at the beginning of the fiscal year, and varies slightly, depending on the employee’s collective bargaining agreement. Some part-time employees who qualify to become members of the applicable bargaining unit are also entitled to these holidays. Other part-time employees are not eligible for paid holidays; however, with the supervisor’s prior permission may make up the time on an alternate day within the week in which the holiday falls. “Floating” holidays will be pro-rated during the first year of employment for eligible employees based on the date of hire. “Floating” holidays may be taken on the official day of the particular holiday, or may be taken as a paid day off another time, scheduled by mutual agreement between the employee and supervisor. “Floating” holidays may not be carried over into the next fiscal year. When a holiday falls on a weekend day, it is observed on the following Monday. To be eligible for holiday pay, you must work your regularly scheduled workday before the holiday, and the day after the holiday, if scheduled to work, unless excused by the supervisor as a scheduled vacation day or personal day, or other paid or unpaid day. If the absence is due to illness, you may be asked to provide a doctor’s note.

PERSONAL DAYS

Full-time employees are eligible to use three personal days. These days may be used in conjunction with vacation days, sick days, or holidays, and may require the supervisor’s approval. An Absence Request Form must be completed to request use of a personal day. Personal days are pro-rated based on date of hire for year one of employment and may not be carried over to the next fiscal year. Bargaining unit members should reference their respective collective bargaining agreement for specific details regarding personal days.

BEREAVEMENT LEAVE

All regularly appointed employees are eligible for leave with pay in the event of the death of a member of the immediate family. Employees may be granted paid time off up to (5) working days. The “immediate family” includes: spouse, children, parents, foster parents, siblings, grandparents, grandchildren, step-parents, step-children, in-laws, domestic partner or other person who occupies such position within the family, or a person living in the same household. If, at the time of the bereavement, the employee is on any type of leave other than vacation, the employee is not eligible for paid bereavement leave. Bargaining unit members should reference collective negotiated agreements for specifics applicable to employment classification.

JURY DUTY

The College encourages each and every employee to perform his/her civic duty when contacted to report for jury service. Upon receipt of notification to serve on a jury, the employee shall provide a copy of the summons to his/her immediate supervisor and the Human Resources Department. A College employee who is summoned to court to perform jury duty or who is subpoenaed to appear in court relative to matters in which the employee has no personal or financial interest is entitled to receive his or her regular pay, provided that the employee remits to the College any payment received for appearing in court. A verification of service should be attached to the employee’s timesheet upon release from jury duty. If jury duty is cancelled, the employee is required to report to work.

MILITARY AND NATIONAL SERVICE LEAVE

An employee who leaves his/her position for extended compulsory active duty in the military service of the United States during a state of war or national emergency, or for periods of required military training, shall be granted a military leave without pay for the duration of his/her commitment in accordance with the terms of applicable laws. Bargaining unit members should reference collective negotiated agreements for specifics applicable to employment classification.

PERSONAL LEAVE OF ABSENCE

An employee in good standing may apply for a personal leave of absence under certain circumstances which may include military or reserves duty as well as other personal reasons. During the leave, the employee will be responsible for paying the premiums for health insurance to the Controller’s Office. Bargaining unit members should reference collective negotiated agreements for specifics applicable to employment classification.

FAMILY AND MEDICAL LEAVE ACT

Through the Federal Family and Medical Leave Act of 1993 (FMLA) and the New Jersey Family Leave Act (NJFLA) eligible employee may be entitled to family and/or medical unpaid leave for up to (12) weeks in a 24 month period. The FMLA allows 12 weeks in a 12-month period. These leaves usually overlap. The purpose of the leave shall be for the employee to provide care made necessary by reason of the birth or adoption of a child, or for the care of immediate family members (spouse, child or parent) who have a serious health condition; the Federal Act allows leave for the employee’s own serious health condition. An employee is eligible for such leave if she/he is employed for at least twelve

(12) months or not less than one thousand (1,000) hours. If leave is foreseeable, the employee shall provide 30-day notice to their immediate supervisor and the Human Resources Department in a manner that is reasonable and practicable. Any period of family leave must be supported by a certification issued by a duly licensed health care provider. During this leave, health benefits will remain in place and will be paid by the College. Complete details concerning eligibility and further information shall be provided by the Human Resources Department.

NEW JERSEY FAMILY LEAVE INSURANCE

Employees may be eligible for salary continuation benefits during certain family leaves. This benefit is provided by the State of New Jersey and benefits are paid for by required payroll deductions. The law allows employees to receive salary benefits for up to six weeks in a twelve month period if the employee is absent from work to care for: (1) a newborn child; (2) a newly-adopted child; or (3) a family member with a “serious health condition.” Generally, a serious health condition is an illness or injury which requires either inpatient care or continuing medical treatment or supervision by a health care provider.

To be eligible, an employee must have worked 20 or more base weeks in the 12 months preceding the week in which the family leave began. Employees are required to give reasonable advance notice of the leave and attempt to schedule leave so as not to unduly interrupt the College’s operations. An employee’s application for Family Leave benefits will be evaluated by the New Jersey Department of Labor and not by the College.

Employees must use up to two weeks of available sick, vacation or other paid time off provided by the College before being eligible to receive any benefits from the State. This period will count as part of the six weeks of benefits available to the employee. For example, if an employee uses one week of sick time, he or she will only be eligible for a maximum of five weeks of family leave benefits.

Note: This is NOT a leave policy. An employee’s job and/or any employment benefits are not guaranteed during a period of paid family leave.
