Myhub Terms and Conditions of Use

Accepting the Terms

These Terms and Conditions of Use ("Agreement") set forth the terms and conditions that apply to your access to Myhub™, as operated by National Student Clearinghouse ("the Clearinghouse," "we," or "us"). By accepting electronically (for example, by clicking "Agree"), accessing [Myhub.org](#) ("Myhub website"), or using the services offered through Myhub website ("Services"), you agree to be bound by the terms and conditions, as set forth below. If you do not agree with this Agreement, then you may not use the Services.

By using the information, tools, features, software and functionality, including content, updates, and new releases provided by the Clearinghouse of the Services, you agree to be bound by this Agreement, as a "Customer" (which means that you have registered for an account to use the Services ("Myhub account"). The terms "you" or "User" also refers to a Customer. You may not use any of the Services and you may not accept this Agreement if you are not legally authorized to accept and be bound by the terms and conditions of this Agreement or are not at least 18 years of age and, in any event, of a legal age to form a binding contract with the Clearinghouse.

Creating a Myhub Account/Unauthorized access generally

In order to allow you to use certain Services, you will need to sign up for a Myhub account with the Clearinghouse. You may sign up, as follows:

1. You may create a Myhub account using credentials provided by a postsecondary institution that you attended (an "Institution") through a website that is operated by the Institution. The Institution will authenticate your identity before allowing you to create a Myhub account on the Myhub website. If the Clearinghouse accepts the Institution's authentication of your identity, you will be able to create a Myhub account; or
2. You may create a Myhub account through the Myhub website, subsequent to the Clearinghouse verifying your identity. The Clearinghouse may verify your identity using identity authentication methods utilized by third-party, identity proofing service providers ("Authentication Vendors"). You authorize any such Authentication Vendor and the Clearinghouse to make any inquiries that we consider necessary to validate your identity. These inquiries may include asking you for further information, for example, requiring you to provide your full address, the last four (4) digits of your social security number, requiring you to take steps to confirm ownership of your email address or phone number, and/or verifying the information you provide against third party databases or through other sources. If you do not provide this information or the Clearinghouse cannot verify your identity, the Clearinghouse reserves the right to reject your access to the Services.

If you become aware of any unauthorized use of your Myhub account or the Services, you agree to notify the Clearinghouse immediately at InformationSecurity@studentclearinghouse.org. If you believe that your Myhub account log-in credentials or device that you use to access the Services has been lost or stolen or that someone is using your account without your permission, you must notify the Clearinghouse immediately in order to minimize your possible losses.

Use of Information on Myhub Website

Additional Arbitration Awards

Your Right to Reject Arbitration

You may reject this Agreement by sending a written rejection notice to us at: National Student Clearinghouse, Attn: Legal, 2300 Dulles Station Boulevard, Suite 220, Herndon, VA, 20171. Go to [Arbitration Rejection Notice](#) for a sample rejection notice. Your rejection notice must be mailed within 45 days after your acceptance of these Term and Conditions and must state that you reject the Agreement and include your name, address, and personal signature. No one may sign the rejection notice for you. If your rejection notice complies with these requirements, this Agreement will not apply with respect to any of your transactions with us or services that we provide to you.
