Revised 3.4.24

What is the Educational Opportunity Fund (EOF)?

For over 50 Years, EOF has provided students from educationally and economically disadvantaged backgrounds an opportunity to pursue a college degree. Created by statute in 1968, EOF has provided thousands of EOF New Jersey students with academic, financial, and social support. EOF has been integral to Hudson County Community College (HCCC) since the late 1970s. EOF is a program that is dedicated to ensuring in-school academic success. Our dedicated team of advisors, academic practice professionals, and instructors work closely with EOF students to assist them in earning their college degrees.

What services are offered to HCCC EOF students?

EOF students receive the following support services:

- Academic advisement, counseling, and academic practice sessions
- Early start on college by attending our Summer Academy
- Workshops, cultural trips, and activities
- Class registration from their personal EOF Advisor
- Mentoring from experienced EOF students
- Career advisement and guidance on transferring to 4-year colleges
- Financial assistance up to \$800 based on the State of New Jersey eligibility.
- The opportunity to transfer into an EOF program at future 4-year NJ institutions

Who is eligible for EOF at HCCC?

- Be a student from an educationally and/or economically disadvantaged background
- Have been a New Jersey resident for at least one year
