

How Hudson County Community College is responding to executive orders concerning DACA and undocumented students.

HCCC WILL:

1

Provide counseling support on immigration-related concerns.

2

Counsel those impacted with resources for educational and living expenses for which they are legally eligible.

3

Vigorously investigate and prosecute anyone who threatens, intimidates or harasses any member of our community.

4

Intensify the college's long-standing advocacy for expanded access to higher education for all our students.

HCCC WILL NOT:

1

Voluntarily disclose immigration and/or citizenship status information to federal authorities absent a court issued subpoena.

2

Ask questions regarding immigration and/or citizenship status except when relevant to the service being provided.

3

Voluntarily disclose immigration and/or citizenship status information to federal authorities unless necessary to comply with a federal regulation or to protect a person's safety.
