COMPUTER ARTS PORTFOLIO AND PRESENTATION

ARC 280   Computer Arts Portfolio and Presentation   **3.0 UNITS**

Computer Arts Portfolio and Presentation provides student artists and designers with the knowledge to meet both their educational and professional goals. Students will prepare their work to be presented to both future clients and employers as well as for admission to senior academic institutions. Students will acquire conceptual knowledge and technical skills to effectively present their work in many formats including as a printed portfolio, a web-based portfolio, a video reel for animation and video works, an interactive video disk, in an exhibition setting and as a multimedia presentation to an audience. The course will culminate with an exhibition and presentation of students? work. Computer Arts Portfolio and Presentation is the Capstone course for the A.F.A. Studio Arts ? Computer Arts Option.
