## **SERVICE LEARNING COMM HEALTH**

## **Service Learning Comm Health HLT 215**

**2.0 UNITS** 

Students are engaged in ongoing service through partnerships with community agencies as an integral part of the course. The servicelearning component addresses such topics as basic communication and relationship skills. Students learn about and are exposed to under-served and under-represented populations. Students are introduced to skills and issues relevant to medicine, nursing and health professions, social work, and epidemiology.
