
AFRICAN'-AMERICAN LITERATURE

LIT 211**African-American Literature****3.0 UNITS**

In African-American Literature, students read a variety of fictional and non-fictional prose and verse by African-Americans from the eighteenth century to the present. In addition to oral literature, autobiographies, slave narratives and letters, the course surveys poetry, drama, the short story, and the novel. The material is treated in both literary and non-literary contexts in order to foster understanding and appreciation of the African-American experience.
