
PRACTICAL NURSING: FUNDAMENTALS OF

PNU 101**Practical Nursing: Fundamentals of****6.0 UNITS**

This introductory nursing course presents basic nursing concepts and skills. The focus is on wellness and disease prevention. Using Maslow's Hierarchy of Needs, concepts basic to physical, psychological, sociocultural, developmental, and spiritual needs are presented. Clinical experiences are provided in varied sites caring for adult and geriatrics clients. These sites include hospitals and nursing homes.
