Martina Nevado, Class of 2019 Associate Degree in Fine Arts

Meet Martina Nevado, Alumna of Class 2019

Martina Nevado was born in Lima, Peru, a fine artist and a writer. From a young age, she knew that she wanted to teach art and was always designing and creating. She made her own toys and designed her first dress at 11 years old, and had it sewed by hand.

Since she came to the United States, she worked in childcare for fifteen years. She enrolled in Baking and Pastry at Hudson County Community College, but never stopped on what is one of her great passions: Art and Fashion Design, thus earning her Associate Degree in Fine Arts in 2019. As a visual artist, she was invited to exhibit her work in New York, New Jersey, Chicago, and Paris.

In spite of difficulties and challenges, she supports the community by providing sewing and cooking workshops in public libraries and schools. Tina is currently the Founder and CEO of **TINA & KIDS' CREATIONS LLC**, www.tkcreations101.com This is a school of design and gastronomy that inspires children in the community to develop their creativity for she believes that they in turn will be capable of doing great things.
