DEPARTMENT OF CULTURAL AFFAIRS SUMMER 2017

The mission of the Hudson County Community College Department of Cultural Affairs (DOCA) is to provide supplementary programs to stimulate awareness of the arts and foster creativity. We strive to complement the efforts of HCCC with cultural events, community programs, and educational initiatives. Our goal is to transcend the understanding of visual and performing arts by closing the distance between the experience of art and everyday life in the community we serve.

For more information and registration, visit www.hccc.edu/tickets.

Collect Hudson

Our summer exhibition, curated by Fred Fleisher and Michelle Vitale, features established Hudson area artists in the Benjamin J. Dineen III & Dennis C. Hull Gallery. Additionally, all artists will host an open studio day at their personal studios, conveniently located next to a PATH or MTA subway station from Newark to Brooklyn. **FREE and open to the public!**

Dineen Hull Gallery Summer Artist Studio Tour

Complementary to the *Collect Hudson* exhibition, DOCA is organizing a summer-long tour showcasing *Collect Hudson* artists' studios and other galleries in the Hudson area. Up-to-date information on our summer tour is available at www.hccc.edu/cultural-affairs. **FREE and open to the public!**

Mentorship Program

Hudson County Community College's Department of Cultural Affairs believes that quality mentoring relationships have powerful positive effects on young adults both personally and professionally. Our interns will be making creative decisions, connecting with artists, assisting in all aspects of our programs and exhibitions, and contributing to the daily operations of our office and gallery while shadowing our staff. This is a great opportunity to bolster your resume and gain hands-on experience in arts management. Open to all Hudson County residents ages 18 – 25. To apply for this summer mentorship program, please email galleries@hccc.edu.

Dancing with the Faculty

Are you an HCCC faculty member who loves to dance? Do you have a passion for ballroom dancing? Did you grow up wanting to be in the spotlight? If you answered "yes" to all three, kindly contact the Department of Cultural Affairs at galleries@hccc.edu.

Collectors Club

HCCC invites community members to become a part of our Collectors Club. The practice of art collecting is a rewarding and fulfilling commitment. Whether you are experienced or a novice, serious or recreational, we would love to help you cultivate and broaden your artistic tastes. The Collectors Club at Dineen Hull Gallery will meet on alternating months throughout the year.

Teacher as Artist

DOCA is hosting a year-long exhibition that celebrates the creativity of educators in Hudson County and will offer solo show opportunities in both North Hudson and Journal Square Campus libraries. The exhibitions will run from September 2017 through May 2018. This opportunity is open to all educators of all grade levels who live or work in Hudson County. For more information and to submit work, email mvitale@hccc.edu with "submission" as the subject.

COLLECT HUDSON

Fred Fleisher and Michelle Vitale, Co-Curators

“Everyone is in transit... regardless of job or station in life; the same is true, of course, for artists. At its intersection, **Collect Hudson** is hosted in the Dineen Hull Gallery. Moving out from this central exhibition space on PATH towards Newark; and in the opposite direction towards Lower Manhattan and out to Brooklyn, we find a multitude of artists working across disciplines ...”

–Fred Fleisher

DOCA aspires to help develop the personal visual tastes of our community members and encourages the practice of art collecting. We believe there is no better place to start cultivating your artistic sensibilities than right here at home. We support the arts through promoting the sales of local artists' works. Dineen Hull Gallery is a not-for-profit organization, 100% of all sales goes to the artist. **Collect Hudson** features mid-career artists, many of whom have been on display at the Dineen Hull Gallery and have garnered interest from both students and the public alike. Artists included have studios that follow the transit lines from Newark into Lower Manhattan and Brooklyn forming our summer-long studio tour (*see Summer Artist Studio Tour List*). We encourage the public to go out there and discover what piques their artistic interests! Artists include Kristianne Molina, Vandana Jain, and Enrico Gomez, among others.
