# The HCCC Foundation's Enduring Support for HCCC Students

---

It was another momentous year at Hudson County Community College, as an HCCC record 1,532 students graduated at our 2024 Commencement ceremony, and our innovative Hudson Scholars Program continued to garner national acclaim, winning the 2024 Bellwether Legacy Award for its enduring impact on student success. HCCC also won the 2024 American Association of Community Colleges (AACC) 2024 Award of Excellence for Student Success, further bolstering its growing national reputation as a pioneer in creating transformative outcomes for community college students.

There's no question that 2024 was a remarkable year for HCCC, it was also another strong year for the HCCC Foundation.

The HCCC Foundation is strongly committed to the belief that all Hudson County residents should be afforded the opportunity to acquire a college education and enjoy the lifelong benefits and transformative power of higher education. To make this ambitious vision a reality, the HCCC Foundation works tirelessly to find and secure the much-needed funding that provides scholarships for students, seed money for new and innovative pro-grams like our Hudson Scholars Program, stipends for faculty development, capital to assist the College in its physical expansion, and resources to address the basic needs of our HCCC community members and students beyond the classroom.

This year, the Foundation continued to make a profound impact on the lives of HCCC students, awarding over \$300,000 in scholarships to deserving HCCC students.

For many of these students, access to HCCC's high-quality academic offerings and innovative programming would be out of reach but for the diligent work of the Foundation and the generosity of donors like you.

The Endowment has benefited from the restructuring implemented in May of 2023. Currently the Endowment stands at \$1,925,021. It has grown 18.11% or \$379,815 during the 15 months since the Board approved the implementation of the new strategy. This has positioned the Foundation to generously support scholarships to students. The Board's adoption of a formal Investment Policy and hiring of a consultative investment manager has solidified the Foundation's financial security and established a base for future growth.

The Foundation Art Collection continues to grow, with new donations of works from prominent artists such as Camille Pissarro and Henri Toulouse-Lautrec. The Foundation staged successful events like the Foundation Golf Outing, Donor Scholar Reception, and Subscription Dining Series, all of which are now highly-anticipated annual fixtures that generate significant funding for student scholarships.

Under the leadership of Vice President for Advancement and Communications and Executive Director of HCCC Foundation Nicole Bouknight Johnson and new Foundation Chair Ronnie Sevilla, the Foundation is building on this success and generating the momentum that will empower the Foundation to help even more HCCC students for years to come.
