Back to Brooklake for 2026!

The Hudson County Community College Foundation is excited to announce that the 24th Annual Golf Outing will take place at the Brooklake Country Club on Monday, June 22.

Set upon 150 beautiful acres in Florham Park, this USGA-rated course offers five sets of tees ranging in yardage from 5,190 yards to its championship length of 6,926 yards. Course highlights include a par four island green 10th hole and a par five 18th hole that measures 630 yards from the championship tees and requires a shot over water to the green – the longest finishing hole in New Jersey.

While the Club originally opened in 1921, the course layout was redesigned in 1985 under the guidance of Geoffrey Cornish, one of the leading experts in golf course architecture and design. Brooklake is considered to be a traditional, challenging course with undulating greens.
