Since 1981, The Jersey City ARTS High School has supported artistic excellence by helping with college applications and granting arts scholarships.

This four-year program is open to all talented college-bound students in Jersey City who want to develop their artistic skills.

The Hudson County Community College Department of Cultural Affairs celebrates diversity year-round with a variety of programs and exhibitions. The College's nearly 3,000 square foot Dineen Hull Gallery welcomes thousands of guests each semester. DOCA's mission is to provide supplemental programs to stimulate awareness of the arts and foster creativity. We strive to complement the efforts of HCCC with cultural events, community programs, and educational initiatives.
