Microsoft Cybersecurity Scholarship Program

Microsoft and Last Mile Education Fund have partnered together to provide a one-time, $500 cash assistance grant for financially vulnerable community college student pursuing cybersecurity pathways.

Grants can be used for certification exam costs, tuition and books, groceries, utilities bills, a new laptop device and much more!

There is no GPA requirement to apply and no repayment for any grant awarded.

SECURE YOUR FUTURE IN CYBERSECURITY.

Scholarship recipients also receive a:

>>> Free, 1-year, Linkedin Premium Subscription (one time only) — Linked **in**

>>> Free membership to Global Mentors Initiative — GLOBAL MENTORSHIP INITIATIVE

>>> Free Github Global Campus Student Developer Tools — GitHub
