

# Early College Alumni Spotlight

## YOUR Early College Story Deserves to Be Told!

We are calling all alumni from the Early College Program (previously known as LEAP or LEAP+) at Hudson County Community College. We want to know and highlight your journey, accomplishments, and all the exceptional things you are doing since completing our program.

### Be Featured in our Alumni Spotlight

Share your story and inspire the next generation of Early College students. Your experience matters; your high school alma mater matters; YOU matter. We would love to showcase and represent the different voices that makes our program so valuable!

### Why Share YOUR STORY?
