

# No-Cost Professional Development Training for NJ-Based Businesses, Non-Profits, and Corporations

We offer two flexible pathways to meet your professional development needs—whether you're an individual or a business with a larger team.

## Dedicated vs Open Enrollment

### Dedicated Workshops

- For teams with 10 or more participants.
- Onsite at your organizations location
- Tailored Curriculum with an expert

#### **How to Get Started:**

- Review the course catalog and select the top 3 training titles that interest you for your team
- Email the following information:
  - Training Title
  - Projected Start Date
  - Days of Training
  - Time of Training (We are flexible and will work around your availability)
- Location Preferred

### Open Enrollment Workshops

- Available for individuals or small groups (fewer than 10 participants)
- Workshops offered at a monthly basis
- Join a diverse group of professionals across NJ

#### **How to Register:**

- Visit our website or email **Laura Riano at [Lriano@hccc.edu](mailto:Lriano@hccc.edu)** to view and register for our monthly workshops

### **Program Highlights**

- **No-Cost Training:** Fully funded professional development, with no cost to eligible NJ-based businesses, non-profits, and corporations
- **Variety of Courses:** Choose from topics like communication skills, DEI, computer literacy, languages and more
- **Flexible Delivery:** Onsite, hybrid, and online options to fit your schedule
- **Immediate Enrollment:** Register for open enrollment today and start improving your skills
- **Easy Registration:** Visit [our website](#) to view our open enrollment schedule and monthly registration links
